FOR THE EASTERN DISTRICT OF MICHIGAN
SOUTHERN DIVISION**

NATIONAL LABOR RELATIONS BOARD,

Applicant,

v.

**D2 ABATEMENT, INC. and PREMIER
ENVIRONMENTAL SOLUTIONS, LLC,**

Respondents.

ORDER

Upon consideration of the Application For Order Enforcing Subpoenas Duces Tecum pursuant to Section 11 of the National Labor Relations Act, 29 U.S.C. § 161, I find that:

- (1) The National Labor Relations Board's (Board) issuance of subpoenas duces tecum #B-1-KZFE0H, #B-1-KZFJZR, and #B-1-KZFGQJ to Respondent D2 Abatement and #B-1-KZFZXX, #B-1-KZGCH1, and #B-1-KZFZDX to Respondent Premier Environmental to procure evidence for the purpose of an investigation in Case 7-CA-133250, is within the lawful jurisdiction of the government authority seeking documents and signed sworn affidavit testimony covered by the subpoenas duces tecum;
- (2) There is reason to believe that the documents and testimony being sought is relevant to a legitimate law enforcement inquiry; and
- (3) There is reason to believe that Respondents' refusal to produce the documents and provide the signed sworn affidavit testimony being sought will impede the unfair

labor practice investigation in Case 7-CA-133250 before the Board and is preventing the Board from carrying out its duties and functions under the Act.

Wherefore, it is ORDERED that Respondent D2 Abatement shall comply with Board subpoenas #B-1-KZFE0H, #B-1-KZFIJR, and #B-1-KZFGQJ and Respondent Premier Environmental shall comply with Board subpoenas #B-1-KZFZXX, #B-1-KZGCH1, and #B-1-KZFZDX and produce their respective custodians of record to appear before a Board agent in Case 7-CA-133250, at a time and place as the Regional Director may designate to produce documents and give signed sworn affidavit testimony pursuant to the subpoenas duces tecum and to answer any and all questions relevant to the matters in question before the Board.

IT IS SO ORDERED
